**When one person speaks alone,  
It's an opinion,**

**When ten of us speak together,  
It's a concern.**

**When fifty of us speak together,  
It's a strong suggestion.**

**When 200 of us speak together,  
It's a movement.**

**But when 5,000+ families and 400  
group affiliates speak together,**

**It's a victory for our children!**
